Roeb,

I like signing in corners. It makes me feel so important. This is the first year-book I've signed this year, so I'm out of practice. I'm really glad we became friends this year. You're a very nice guy whom I sure will succeed in life. Good luck in whatever you do. But, I don't think I want to know you in the future since you belong to that punky COR stuff. Sissy stuff, if you ask me. Just kidding. Be happy in life and

Best wishes,
Wilmer

Roeb,
O.K. don't worry about it. I'm not upset. Just cause I don't have much room to say much. In any case take care, thanks for the memories. Luis Villa

Roeb, (HANDS)
well it's been great this year here at Lo Hi. Thanks for being such a great friend and I hope your experience as a cheerleader was very profitable especially for your hands. Just remember what they say "never put your hands where you wouldn't put your face," just a few words to live by. We'll have to get together sometime in the near future to cause some trouble and to scam on all the women. Take it easy buddy and never loose that special quality you have for being a terrific friend.

Your Buddy,
Tim Brink

Bew, oops! (Thought I was writing to my self)!
Rob, Nous sommes finis! Yours certainly went very quick! Anyway, you're a real nice guy & I'm glad we got to know each other. Have a great summer & I'm sure we'll see you in the summer '82 at Lo Hi. Life is great! See you in the future!
Best of luck in life
Pen Pal '82

Paul Schuilo '82

Roeb- Have a good time in college and the rest. I don't know a damn thing about you but I remember the ~~ST~~ concert. It was a blast. Something I remember

↓ A man with two arms, two legs, two eyes, two hands, two feet can only walk, see, touch and run last Named so what count, All you have you must use part just gone keep going Have fun.

Mark Day 82

Roeb,

It has been a ~~great~~ good ~~year~~ semester. Have fun in college. Study hard. You'll do well because all left handed people do. Have a good summer dude

Chris Robert

Roeb,

It's been horrible having to know you for what? Three years. God, how unfortunate for me! Well, I'm sure someone will miss you. Maybe mr. Delugg. I've heard a lot of gay stories about him. Have fun in summer and college!

Later,
FRANK RAMIREZ '83

Mike Drum

Roeb,

Alright! We're free! Now we can go on COR weekends without worrying about homework! Seriously, Now, I'd like to thank you for all the rides home (worth about $100 in gas), all the great times we've had at the prom, grad night etc. Hope you really excel at LBS and have a gnarly summer.

Mike

I'll be down to Chumash this summer & I'm glad I got to know you. Thanks for being a friend.

Peace,
Derek

Roeb,

Although pen is not my medium, I am happy to tell you that your presence has been valuable to me. Counting on your optimism and your "hello", your cheerfulness have been constants in an atmosphere that was unstable. Good luck in higher education

VARSITY FOOTBALL

DEL REY LEAGUE CHAMPIONS

This year's Varsity Football Team managed to bounce back with enough force to earn a share of the Del Ray League crown. They entered post season play with a 7 and 3 record that showed only one loss in season play. The team then moved into a play-off against Bishop Amat with great expectations, but when the dust settled after the game, the Cubs had lost by just one point. Throughout the season, the team maintained a very positive outlook that helped them to get as far as they did, as well as allowing all the people on the team to grow as men. They were indeed able to look back on this season with pride and satisfaction.

Those four years were hard, but I am glad you were a part of it. You've made my four years at Loyola so memorable one. Don't worry; when we get to UCLA (Joe, Pete, me,) we will save you the leftovers, that is if we leave anything. HA! HA! HA! Thanks for being around. You are a true friend. We've got to party over the summer. Let the good times roll——. Take care of yourself.

Friends always,

"CAT" - 82

Four busy years have shaped us and the world in areas that we never dreamed of: while we experimented in labs, the space shuttle took off; while we studied history, we saw a change in the direction of our country; while we dealt with mathematics, scientists probed the atom. We enter this world now; whether we make our mark upon it depends on what we become, what we have learned, what we must learn, and what we shall do with what we have become.

Our four years at Loyola have taught us a multiplicity of things. We came, strangers to ourselves and to others. But we have come to meet ourselves and each other, thus forming friendships. We worked side by side, and we shared this experience with each other. We shared when times were good, and we shared when times were not so good. As we grew spiritually and intellectually, we have come to see what we must do to become men for others. And in doing so, we now see the importance of knowledge and understanding, needed to make a valuable contribution to the world which is increasingly ours.

Thank you for all we have taken and all we shall give.

Seek and you shall find.

The Class of 1982 would like to take this opportunity to thank Fr. Patrick Cahalan, S.J. During the past few years, Fr. Cahalan has devoted much of his time towards the school's construction projects, which are now nearing final completion. His unceasing efforts are gratefully acknowledged.

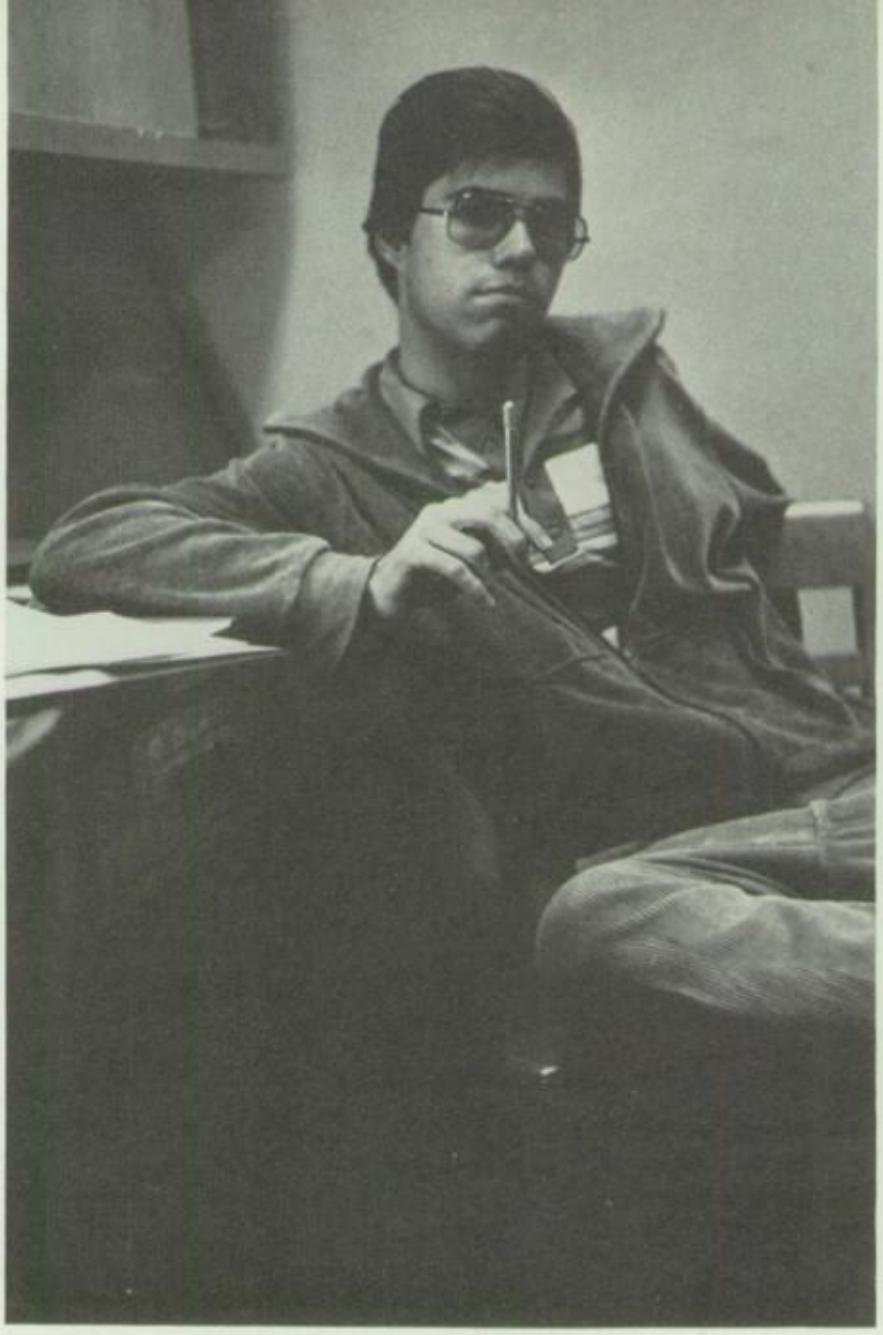
The **El Camino** wishes to thank all the people who helped in making this issue of our school's annual possible, and we would like to single out a few individuals who went above and beyond the call of duty. We wish to thank Mr. Frank Kozakowski for his assistance and understanding and Mrs. Roswell for always being there with help. We express our gratitude to Mr. Jon Dawson and all the coaches for their help and forebearance and Mr. Ed Hearn for helping in our "artistic" endeavors. We acknowledge the support given us by Fr. Robinson and Mr. Tim Coughlin with the Campus Ministry section and Mr. Paul Turgeon with our finances. We wish to again thank Bro. McDermott for his layout of the Geo/Paleo Society. We cannot forget Mrs. Edna Nicholson and her Xerox machine, and we certainly thank Sr. Eileen for the use of her office, when we needed it. And, of course, we thank Mr. Allen Martin for access to some of his pictures. We acknowledge Edward's Studios and Briar Photographic. And we wish to finally thank all of you, the administrators, faculty, and students, for being the subject of our cameras for this attempt at capturing the 1981-82 school year.



The editor wishes to thank Jason Bland, Chris Robles, and Sister Eileen Sanchez for their support and assistance throughout the year. They have been a great help, but even greater friends.

JGT.

Hey Roebling.
You've been a great
Buddy this past year especially.
Since I really didn't know you
before that. Well, I can say that
I was damn glad to meet you. I mean
it's been great having you in some of
my classes — an enjoyable experience - to say
the least. We've still got to get together and
have some fun (let's get wasted on your yacht
or something). I'm sorry for vaging on your
cheerleaders but I feel it was constructive
criticism. They are nice girls. But, you still
as a couple. Go ahead, go to
those chicks. But, you still must remember
UCLA and get a great job.
to visit confession. Hey, Pal we've enjoyed great times
and I think there will be more. Peace.
Your Pal,
Steve Fraser

Willie Fraser

Roeb,
It's hard to believe, but these
three years are over by fast. It's great
that we had the chance to become
friends. Now I have to take care
of the great times, are all the
nice things that come it might
take some time as hard
during it.
Don't be a
stranger.
Take care
Roeb
